— WHY THIS ROUTE

From the Atlantic coast to the *savannah*

We start in Cape Town, with room to explore the city and the peninsula depending on the weather. Hermanus brings the coast and the wineries. A domestic flight avoids the long drive along the Garden Route and takes us towards St. Lucia.

From there, iSimangaliso and Eswatini come before four nights of safari in the Kruger region. Two nights in Marloth Park let us start without changing stay every day; then we continue to Lower Sabie and Satara.

This trip is for you if...

- ✓ You want to combine city, coast and safari in one trip.
- ✓ You want a proposal with stays and services detailed before you decide.
- ✓ You prefer fewer hours on the road and more time in each place.

The route is being prepared. We will confirm availability, connections, services and conditions before booking. The visits described do not mean every entrance or activity is included.
